National Defense Industrial Association – Michigan Chapter
Corporate Members

Friends

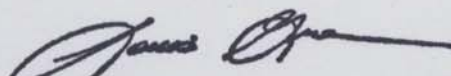

The Michigan Minority Business Development Council (MMBDC) would like to offer corporations that are members of the National Defense Industry Association – Michigan Chapter a one time only free Corporate Membership with their Council for 2008. To take advantage of this offer your corporation would need to purchase a booth for the 2008 Michigan Minority Procurement Conference to be held at Cobo Hall on May 12 – 14, 2008. This procurement conference and trade fair is one of the largest minority procurement conferences in the country. Typically they have 400-500 booths showcasing minority owned companies as well as many of their corporate members. You will also be able to attend a full day of professional development which has some of the country's most renowned speakers offering topics that are pertinent to minority supplier development and improving business in general.

Please go to www.mmbdc.com to sign up for a booth and join the state's premier minority business development organization.

Sincerely,

Robert S. Hoover, PhD
